ETIENNE & ETIENNE
Printing: Villa de Genève

In each neighbourhood of Geneva City, there is a **Maison de Quartier...**

... serving inhabitants and residents
of all ages: **children (boys and girls),
adults and seniors.**

In the **Maison de Quartier** you can:

- Get information in order to better know the community and the city you are living in;
- Rent rooms for your family events;
- Enrol your children and teenagers in diverse activities to be done during summer holidays or on Wednesdays;
- Take part in courses or workshops (e.g.: painting, yoga, gym, etc.) for low prices.

The Maisons de Quartier are supported by the City of Geneva and by the State of Geneva
(Ville de Genève et Etat de Genève).
